Dear General Young:

I want to tell you how very much I appreciate your wonderful hospitality when I recently visited Naples with General Cabell.

I thoroughly enjoyed the pleasant stay in your lovely apartment and am genuinely appreciative of your putting me up in such fine style.

I am very sorry I didn't have the opportunity of meeting Mrs. Young while I was there, but wish you would convey my thanks and best regards to her as well as to your charming daughter, Gipsy.

With best wishes.

Sincerely,
